Fraser Valley Academy of Dance is offering two special performances of the Nutcracker at the Clarke Theatre for school groups.

Date: Friday, December 4th, 2015

- Monday Morning Performance: 10:15am-12pm
- Monday Afternoon Performance: 12:45pm-2:30pm

Location: Clarke Theatre, 33700 Prentis Avenue, Mission

Fraser Valley Academy of Dance with Artistic Director John C. Carney returns to the Clarke Theatre in December to present The Nutcracker ballet for its eighth season. Over 120 dancers will share the stage with professional guest artists. Join the Stahlbaums' festive party, then witness the battle between Soldiers and Rats. Travel through the Snow and across the Ocean with Clara, Fritz and Drosselmeyer to the Kingdom of Sweets where they meet the Nutcracker Prince and the Sugar Plum Fairy. Everyone will enjoy the magic of this traditional winter classic!

All seats are \$8 for students and accompanying teachers; wheelchair and companion seating is free of charge. Payment is due prior to the performance. Seats will be held as long as possible until payment is received. However, should another school provide payment for seats in the meantime, and no other seats are available, it won't be possible to continue to hold your seats.

Please send me your **Nutcracker School Booking Form** to reserve your seats for this year's Nutcracker. Visit the Nutcracker page of our website www.fvad.ca for additional copies.

We look forward to sharing the Nutcracker with our area school students again this year!
