

Fraser Valley Academy of Dance

Dress Code - Approved Brands

To reduce confusion as to which styles are acceptable as part of our school uniform, we have introduced a list of acceptable brands and styles. This ensures that all students are in the correct attire, and parents do not waste money purchasing items that are not the accepted uniform.

We have selected simple, basic items to ensure proper uniformity in class, and to keep costs down.

We offer all dancewear items for sale at the Academy, as well as through our online retail partners Discount Dance Supply and Limbers Dancewear who offer discounts and promotions. Families may purchase their dance-wear at any retail outlet, but must be sure to select from the products listed below.
