PRODUCTION PERSONNEL

Mr. John Carney, Artistic Director. Mr. Carney is fully involved in the performance and will be behind the scenes for each show. Whenever possible, please direct your questions during the performance to volunteers, or to Mrs. Carney.

Theatre Crew. The Clarke Theatre crew are professionals who will be working backstage and in the theatre. They are to be treated with courtesy and respect. While you are in their theatre, they are in charge. If you are told to do something by any of the crew, you are to follow their directions without question.

Mrs. Carlyne Carney, School Administrator. Mrs. Carney will be managing backstage and dressing room activities. During theatre rehearsals and performances, Mrs. Carney will be backstage and available to answer questions and help with any problems that might arise.

Backstage Volunteers. Backstage Volunteers will be assigned to help you dress in your costumes, do your makeup and hair if you were not able to do them before arriving, to take you from your dressing area to the stage, and back again at the necessary time. If you have a problem with your costume, please let a costume volunteer know. Please ensure that you return your costume to the dressing area assigned to you.

Quick-change Volunteers. Quick-change Volunteers will be in the quick-change booth on Stage Left. If you have quick-changes, you will be informed in advance. Your next costume will be in the quick-change booth and the quick-change volunteers will assist you. You will practice your quick-changes at each rehearsal in Production Week, as well as all dress rehearsals.

Check-In Security. The Check-In Desk is located at the Backstage Entrance. Security will sign in only performers and volunteers on their lists. Parents may escort younger children into the dressing area, but will need to then leave the area if not volunteering (unless it is really necessary for you to stay).

No performer under 16 years old will be permitted to leave the backstage area without their parent/guardian unless Security has received written permission beforehand.

**If you are given instructions by any of the Production Personnel,
you must follow their directions without question please!**

THEATRE RULES

All performers and volunteers must sign in and out at the Check-In desk.

- The Back Stage check-in desk is located down the hallway to the right side of the Clarke Theatre box office (see the map in this handbook).
- **Performers are not to enter the theatre through the seating area or backdoors.**
- No one will be allowed backstage except performers, staff, crew and volunteers.
- We will have volunteers handling check-in for the performances.
 - It is an important task to control who enters and leaves the backstage areas.
 - Please help our volunteers by making sure you sign in and sign out.

It is absolutely ESSENTIAL that performers arrive and depart the theatre on time!

Only Performers, Staff and Volunteers can remain in the dressing areas during the performance.

- Friends and relatives are not allowed in the dressing rooms due to space limitations.
- We do however encourage moms to help get their child into costume especially for the Mice and Young Party Girls. Dads can help the boys in the boys' dressing room, but not the girls' area.
- Please volunteer ahead of time by contacting Mrs. Carney if you feel you must be backstage for your child rather than watching them perform.

Do not bring valuables, jewelry or money to the theatre.

- **LEAVE JEWELRY AT HOME** - this includes everything - **earrings**, rings, necklaces, watches.
- If you cannot remove newly-pierced earrings, please cover them with beige tape or a bandage.
- We will remove or cover all jewelry, so please leave everything possible at home.
- If students have to remove jewelry, it has a higher chance of being lost. Please leave it at home.
- **REMOVE ALL NAIL POLISH** (fingers and toes) before arriving at the theatre. Or we'll do it for you! But that's another job for us to do backstage so please remove it at home.

NO GUM at FVAD or at the Theatre. Please don't bring gum or arrive chewing gum.

Take Care with your Costume

- No sitting while wearing a tutu or other skirted costume.
- Always be sure your costume is hung up after rehearsals and performances.
- Be sure headpieces and accessories are put back on the table when you have finished your dance.
- NO EATING or DRINKING (other than water) WHILE IN COSTUME.
- **COSTUMES MUST NOT BE TAKEN HOME.** All costumes remain the property of FVAD.

Mice not performing in Act II may be collected at INTERMISSION.

- Please make a note when you check in if you will not be able to collect your MOUSE until the end of the show. You do not need a ticket for a dancer who performs only in Act I. Unless the performance is sold out, younger students may sit on your lap for Act II, or take a seat where available.

Permission must be given at Check-In for your child to leave the theatre without you.

- If a student does not submit written permission to the Check-In desk, they cannot leave with anyone else. Parents are required to pick up their children at the end of the performance.

No performer is to leave the backstage area once in costume.

- To maintain the magic of a production, audience members should never see costumed performers except on stage. Parents please help us by not asking your child to come out of the backstage area for a photograph in costume during the performance or rehearsal. They can easily miss their cue and delay the rehearsal or performance schedule. Take your photos before or afterwards.
- Performers should always remove stage makeup before leaving the backstage area.

DRESSING ROOM ASSIGNMENTS

- **Performers and volunteers must enter the theatre by checking in at the Check-in Desk** located down the hallway on the right side of the Clarke Theatre box office, toward the rear.

DO NOT ENTER THE BACKSTAGE AREA THROUGH THE THEATRE AUDITORIUM.

- **Female performers and volunteers:** enter the backstage area by the Dressing Area entrance located down the hallway to the right of the security check-in desk. This area is a **girls-only** dressing area. Do not use it as a pathway to other areas of the theatre.
- **Male performers and Party Adults:** enter the backstage area by the Stage Left entrance located through the double-doors behind the security check-in desk. **PARTY ADULTS:** turn left and up the stairs to the locker rooms. **BOYS:** turn right through the stage wing, down the hall to DR#1.
- **A floor plan of the dressing rooms is on the next page.** Volunteers will be on hand to help you find your dressing area once you enter the theatre. Each dressing area is labelled, and are set up as they have been in Studio A during FVAD rehearsals.
- **Please do not move between dressing areas without cause.** Dressing Room Areas are very crowded. Performers should remain near their assigned dressing areas until called. Please be considerate of others' needs. Do not leave your area without first telling your area volunteer. We may need you on stage in short notice so we must know where you are at all times.

Volunteers: To secure **Hats and Headpieces** tightly, use bobby pins and crisscross or interlock them.

HOW TO MAKE A BALLET BUN

This applies to any type of bun. Only the height of the ponytail (or bun) changes to make a Regular, Low or High bun. **Please do not use Hair Donuts or Bun Makers.** We will have volunteers available to make proper classical ballet bun for those who are still learning how to make one.

Ballet Bun Types	Description
Regular Bun	Near the top of the back of your head.
Low Bun	Resting on the lower hairline.
High Bun	Even higher than the ballet bun, at the top of the back of your head Usually to accommodate a hat or similar headpiece.

What Do I Need?

- Hair Brush with nylon or natural bristles (close bristles)
- Large, covered Hair Elastic
- Nylon Hair Net
 - Nets matching hair colour is available at most drug stores and dollar stores.
- Thick Hair Pins (NOT bobby pins).
 - Hair pins (U-shape) are thicker and will grip more hair.
 - Bobby pins will slide out of your bun.
 - Bobby pins can be used to secure hair net and any loose pieces of hair that do not fit into the ponytail (for shorter hair).
- **Hair Spray** USE SPARINGLY IF AT ALL – NO AEROSOLS PLEASE (We suffocate with the spray!).**
- Hair Gel

How Do I Make the Bun?

1. Brush hair smooth and free of tangles.
2. Pull hair back neatly into a ponytail at the back of the head or higher, using a brush to avoid "lumps and bumps". A tidy pony tail with hair drawn snugly back is the key to making a good ballet bun. Placement of your ponytail determines placement of your bun. Regular ballet buns should be at the middle of the head or higher.
3. Secure ponytail tightly with hair elastic.
4. Use gel as needed to eliminate any "whisps" around the head, smoothing any remaining bumps of hair on the head.
5. Twist the ponytail as you gradually wrap it around the hair elastic, creating a tight, coiled circle, inserting hair pins as you wrap. Be sure that your hair pins contain hair from both the head and the ponytail. This will hold your bun close to your head. Be sure to use plenty of hair pins (12-16 on average). If you use Bunheads hair pins (for sale at the FVAD Shop), you'll need only a few pins.
6. The idea is to have your bun tightly coiled around your elastic and secured to your head.
7. Once you have created your bun, wrap your hair net around it as many times as it will allow for a snug fit.
8. Hold the hair net in place with a few extra bobby pins, and gel any wisps that are remaining.
9. No Bangs please – pin or gel hair off the face.

1. Gather Hair

2. Brush

3. Hair Band

4. Twist Hair

5. Coil Hair

6. Pin

7. Hairnet

8. Flatten (optional)

9. Headpiece if Desired

10. Finished (Backview)

Short Hair

- Short hair must be secured away from the face.
- No hair may be hanging in the face.
- Please use bobby pins to secure any dangling strands of hair.

MAKE-UP APPLICATION

Instructions for Mice, Young Party Girls and Candy Canes

No make-up except for Mice nose & whiskers (see below).

Mouse Noses & Whiskers

Volunteers will do with this at the theatre With a black make-up pencil, draw a triangle (point-down) on the end of the nose and fill it in. Draw three sweeping lines on each cheek for whiskers.

Instructions for Party Girls, Smarties and Soldiers

No make-up. Optional: Loose powder, blush (see below for details).

Instructions for all other Performers

Foundation (optional)	With a damp sponge, apply pancake foundation over entire face including under the jawbone until skin tone and coloring are even.
Loose Powder	With a puff, powder is applied over the face to set the foundation and keep the face from being shiny.
Eye Shadow	<ul style="list-style-type: none"> White or Cream (highlight color) is applied to the eyelids and the area below the brow. Pink, Rose or Wine (accent color) is applied to the space between the highlight color and eyelashes. Brown (contour color) is applied to the crease, or the narrow space between the top of the eyelash and the bone above, to give the eyes more depth. <ul style="list-style-type: none"> Use colours in the brown and wine tones for the most natural look Avoid strong blues or greens. All colors should then be blended slightly upward and out to soften the look.
Eyeliner (optional)	<p>The liner should be applied on the eyelid above the lashes following as close to the lash line as possible.</p> <ul style="list-style-type: none"> If using liquid liner, be sure that the eyes stay closed until the liner is dried. Repeat for the lower lashes. NOTE—lines need not extend outward past the actual eye.
Eyelashes (optional)	Black mascara is applied to both the top and the bottom of the lashes. NO FALSE EYELASHES!!
Blush	Apply lightly on the cheekbone (from the apple of the cheek to the hairline).
Lip Liner (optional)	<p>Applied to outline the lips so the color does not bleed when applied.</p> <ul style="list-style-type: none"> Be sure that the liner is applied to the inside of the lip line and not to the outside of the lips.
Lipstick (optional)	<p>Generally, the color should be a shade darker than your natural lip color.</p> <ul style="list-style-type: none"> Once the lip color is applied, blot well with a tissue to remove the excess. This will help avoid smearing.
Tattoos & Hennas	<p>If a performer has a tattoo that will be visible when in costume, they <u>must</u> let Mrs. Carney know.</p> <ul style="list-style-type: none"> Make-up will be used to cover it for the performances. Please remove any fake tattoos or hennas before Production Week.

NOTES FOR VOLUNTEERS AND PERFORMERS

When you volunteer, please plan on doing so for at least one dress rehearsal and one performance. This way you are familiar with what goes on. The Nutcracker Volunteers make these performances possible. This is also a great way to be part of your child's theatre experience.

REHEARSAL AND PERFORMANCE VOLUNTEER PROCEDURES

- You will be asked to watch over a certain group of performers.
- Performers are to arrive with their hair in buns (unless otherwise instructed).
- If any of your performers need assistance, please help them.
- Check the hair and make-up required before they go on stage. All performers will be responsible for their own hair and make-up, but volunteers will be available to help them.
- Make-up is always put on BEFORE the costumes.
- No food or drink other than water is allowed once costumes are on.
- **Please make sure all performers have used the bathroom before putting on their costumes.**

WASHROOMS

- Public Washrooms are located in the hallway before the check-in area.
- **Please make sure your child uses the washroom before checking in.**
- Backstage Washrooms are upstairs in Locker Room #1 (Men) and Locker Room #2 (Women).
- The main floor Dressing Rooms in the hallway are not shared areas. Do not use these washrooms unless you are assigned to the dressing room, or have permission from Mrs. Carney.
- Students must be accompanied to the washrooms.
- Students must ask a volunteer before leaving the dressing area for the washrooms so that we are aware where they are at all times, and to send chaperones with them if needed.

CHECK PERFORMERS BEFORE THEIR DANCE – Performers should check each other

- **REMOVE all personal jewelry, hand and foot nail polish. Or it will be removed for you!**
- Check that strings are tucked into ballet shoes.
- Check make-up and hair is neat and pinned, and headdresses are secure.
- Check underwear is not showing below the leotard leg line.
- No sitting in costumes (sitting is only allowed if costume can be raised).
- Snacks may only be eaten outside of the dressing room areas, and out of costume.
- **No one may eat while in costume.**

Performers are required to wait in their dressing areas until called.

- Volunteers will be told when to line up your performers. Volunteers may need to guide performers to and from back-stage. If so, they will wait for the performers and return with them to their dressing rooms.
- Performers must be quiet while moving about backstage. Noise travels to the audience from backstage.
- Performers may not wait in the Wings backstage if they are not dancing next.
- Performers in the Wings backstage must always stand behind the taped line. If you can see the audience, they can see you! Do not ruin the magic of the performance by being seen in the Wings.
- When performers are finished, costumes and all pieces must be returned to the dressing room rack on their hanger with all pieces attached. Head-pieces and props return to their table.
- Check the dressing rooms for any litter or misplaced belongings.

PERFORMANCE RECORDINGS

Photos or videos during performances are strictly prohibited.

NO PHOTOGRAPHY

Flash photography is extremely dangerous for dancers

- Flash photography is extremely dangerous for dancers, especially for those on pointe. The flash can cause them to lose their balance which can result in serious injury.
- Flashes in the dark can be dangerous for people. At a previous year's performance, an audience member risked a seizure due to the continual flashing.
- If you notice someone taking photos with flash, please ask them to stop or inform theatre staff.

DO NOT VIDEO IN THE THEATRE

This is live theatre, not a sporting event

- The unique experience of a live theatre production such as the Nutcracker comes from absorbing the full atmosphere of the lighting, music, the whole cast, costumes, acting and stage setting as well as the dancing.
- You cannot enjoy the complete performance if your eye is locked on a small square of a camera trying to capture a single shot of one person.
- A room full of light-blue glowing squares is also a distraction to people trying to enjoy a production, and shows up on our own professional video recording.
- **Please be considerate.** 😊

PRODUCTION VIDEO

- A professional videographer will be videoing both Saturday performances.
- Both performances will be available after the shows to view free on our Vimeo site.

Your continued cooperation is both needed and much appreciated!

All funds raised from our performances and shop sales contribute to FVAD Scholarships.

Since 2008, we have provided over \$20,000 each year in financial assistance for our families to keep our students dancing.

Thank you for your support!
