

Fraser Valley Academy of Dance Re-Opening Plans – Phase 2

PHASE 2 SAFETY PLAN PROTOCOLS

As we enter our re-opening plan Phase 2 (in-studio private lessons), we have defined protocols for parents, students, teachers and staff to follow to ensure the health and safety of our community.

Please ensure that you are familiar with these procedures before arriving at our school building. We thank you all for your assistance in ensuring that we can move safely forward in our re-opening plans.

This document will be updated regularly due to the fluidity of the COVID-19 situation. Please be sure to access the source document which is linked to all in-studio classes in each family's online account.

PROCEDURES FOR PARENTS AND STUDENTS

BEFORE LEAVING YOUR HOUSE – PREPARING FOR CLASS

- **Check you have your mask**
 - Masks are needed in all areas except while in class in the studios
- **Check you have your water bottle and dance shoes**
- Students should stretch out at home for at least 15 minutes
 - To keep areas clean and students separated, and to allow for disinfecting time between lessons, there is not currently space or time for students to stretch before class at school.

ARRIVING AT THE SCHOOL

- **All access to our building is by appointment only.**
- **Arrive within 5-10 minutes of your class start.**
 - To maintain occupancy limits in each area, students may only enter the building within 15 minutes of their class start.
- Our front doors will remain locked except:
 - to admit students arriving for class
 - to let students out after class
 - to allow for shop purchase pick-ups
- **Families please text/call 604-751-3981 or call 604-826-0097 to be admitted on arrival.**

MASKS & GLOVES

- **Masks are required to be worn at all times inside the building**, except in class.
- Gloves may be optionally worn to reduce surface transmission.

PERSONAL ITEMS, BAGS AND OUTERWEAR

- Please leave all unnecessary items at home or in the car.
- **Students must arrive dressed for class.**
- **Students must bring a water bottle** for class to use our touchless water filling station.
- Bring dance shoes, full water bottle, and any personal items needed for class.
- Outerwear, shoes, bags and items not needed in class will be placed in a cubby in the lobby.

ENTERING THE BUILDING

- Upon entering the building, keep to the left of the cubby units which now separate the lobby.
- **No person may move beyond the cubbies without washing their hands.**
- Each cubby section is colour-coded to match the zones within the studios and waiting areas.
- **On arrival in the building, students shall:**
 1. be assigned their zone colour
 2. place items needed in class in their coloured container (found inside their cubby)
 3. place their container on top of their cubby section
 4. place their personal belongings not needed in class into their coloured cubby
 5. wash their hands in the downstairs washroom
 6. collect their coloured container for class
 7. wait on their coloured spot for the teacher to invite them into their class.

WAITING AREAS

- **Anyone not taking class must wait outside of the building**, except:
 - A parent of a younger student who is not yet comfortable on their own.
 - Parents please contact the office if this is the case so that we can make arrangements for you.
- Waiting areas are now exclusively used as access routes, and for students waiting for class or waiting to be picked up.

Fraser Valley Academy of Dance Re-Opening Plans – Phase 2

WASHROOM ACCESS

- **Everyone entering the building must wash their hands in the downstairs washroom if they wish to enter beyond the cubbies.**
- The upstairs washroom is to be used only by the students in Studio B.
- The downstairs washroom is to be used by the students in Studio A, and by Staff/Teachers.
- The downstairs washroom has one cubicle for Students/Parents and one for Staff/Teachers.

ACCESSING THE STUDIO

- **Each studio has been divided into zones with coloured tape** (matching the entrance cubbies).
- Doors will be propped open to reduce surface contamination.
- **When invited by their teacher, students shall**
 1. enter the studio
 2. go to their coloured zone at the barre
 3. place their coloured container (holding their water bottle and any personal items) on the floor under their barre space
 4. remove their mask and place it in their container.

USING THE STUDIO

- **Students must remain in their coloured zone at all times**, unless directed by their teacher otherwise (such as during cross-floor work).
- For centre work, students will move from their barre zone to their floor zone of their colour.
- For any cross-floor work, teachers will direct students to corner positions in the studio, keeping 2m distancing at all times.
- At no time may students cross into the teacher's zone or another coloured zone, unless directed by the teacher.

PURCHASING ITEMS

- **Dance-wear items may be purchased online and picked up at the school.**
- Items may be collected from the lobby cubbies or handed out at the door.
- *Additional procedures for trying on dancewear and shoes will be added shortly.*
- Pick-ups are by appointment only.

PAYING FOR CLASS OR DANCE-WEAR

- **The office will not be open for payments¹.**
- Families must pay for class before attending, by e-transfer to info@fvad.ca or by credit card online.

LEAVING THE STUDIO

- **Masks must be put on before leaving the studio for any reason.**
- **At the end of class, each student shall:**
 1. put on their mask
 2. collect their coloured container
 3. leave the studio one at a time
- Students shall wait at their coloured spot until their turn at the cubbies.
- When staff direct them, students shall step forward to the cubby spot.
- **When at the cubbies, students shall:**
 1. keep to the left of the cubbies
 2. place their container on top of the cubbies
 3. remove any of their items from their cubby
 4. remove their items from their container
 5. return to their coloured spot until their parent arrives to collect them

LEAVING THE BUILDING

- **Parents must send a text/call to confirm that they are outside and ready to collect their child.**
 1. Parents should arrive within 5 minutes of the end of class to reduce waiting times.
- **Parents should wear a mask at the entrance to the building, even if not entering.**
 1. If multiple parents arrive to pick up their children, they will need to physical-distance down the sidewalk if not wearing masks.
- Parents please wait by the outdoor mailbox as the front door opens outwards.
- Staff shall unlock the door to let each student out, one at a time.

¹ As Mr. Carney is 60+ and Mrs. Carney has a rare neuro-immune disorder (transverse myelitis), we are taking extra precautions during COVID-19. Please do not expect the usual in-person social interactions at this time. Thank you for your understanding and support. ©

 3. spray disinfectant on the door handles

END-OF-DAY DISINFECTING

- **All surfaces are sprayed with disinfectant at the end of each day**, to disinfect overnight and prepare surfaces for cleaning in the morning.

² Hydrogen Peroxide has been selected as our disinfectant as it dissolves simply into water and oxygen, is less toxic and is less harmful to the environment than bleach. It is classified as an effective disinfectant by Health Canada in killing viruses, bacteria and fungi when applied to surfaces for 5-10 minutes at a minimum dilution of 5000 ppm or 0.5%.
